Version 22 News Letter

Bizz Wizz Version 22 Full copy and Trial is now available. Download and use today! (www.BizzWizz.com.au)

Don't forget to read all the old news letters from your old version to the new v22. This letter only goes back to v21

Here are some of the new changes in V22, (There are many more undocumented small changes also.)

Big New Changes to Point Of Sale
Now **Quotes, Estimates** and **Job Cards** can be done from the **POS** and saved to Invoicing to be recalled.
Time of the Sale is now on each transaction
Staff Sales Totals Report can be printed or Emailed from Archives listings.
Days takings to ledger can be done at any time now. Takings are now save into a list and can be processed Printed or emailed at any time.
Set all Tills as One Report or one Till for each Report, can now be set in setups.

Your Letter Head
Now every Computer can have its own letterhead if required and can also be swapped with 4 master headers. For example, if you have more than one department or division each division or department can have it's own letter head. There are 4 letter heads per company setup and 10 companies can be setup.

Invoicing
New: Paste a block of text into an Invoice from the windows clipboard and Get a block of text from the Invoice
Auto inserts lines on word wrap and Block text paste if line is used
New Date input line on delivery docket signing.
Printing a mailing sticker can now be done in Invoicing to address packages to be delivered.

Stock
By clicking on the boxes along the bottom of the parts list, prices ect. can be changed, for the part highlighted or multi-selected parts, in the list.   Selling prices can now be updated by percent on sell price.
When copying parts from one file to another, if all parts are copied the source file can be auto deleted.
A part can now be found by searching by the bin number in the stock list.

Mobile Invoicing
Multi-Part Payments can be made on a synced invoice and re-sunk to main computer.
New: Paste a block of text into an Invoice from the windows clipboard and Get a block of text from the Invoice.
On screen signing for goods can now be done if you have a touch screen or add on touch screen.
A Refresh button has been added to some of the listing screens to ensure your list is up to date with changes.

We can supply Hardware at great prices...

Call us with your requirements.

WHY SHOULD I BE ON A SUPPORT PLAN AT $250 A YEAR ?

You get the latest updates and You SAVE $50 on the price of an update.
We give you 12 months support by phone or login.
We can log into your computer and fix problems in minutes using the built in Team-Viewer.
You get onsite callouts at $66 per hour, non-support is $88 per hour (travel costs are extra.)
Companies using payroll should be on the support plan to keep up to date with ATO tax changes.
