This letter shows Changes from ver26 to ver27 and to 28 ! If your version is older than 26, read all the old news letters from your version to the new v28, you can find them on our News web page.

Here are some new changes in V28, I have also included some of the 27 changes as well.

WAGES : The wages program has been re-written for STP2 which is compulsory to use for the ATO.
If you use Wages you will have to upgrade to version 28
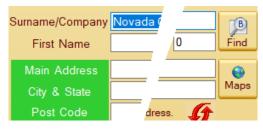

Invoicing and Orders

The Font Used for your Invoices & Orders can now be selected from a list of 7 fonts.
This can make your Printed forms look more modern. The fonts are pre-picked and are a set size to fit Form spacing and layout.

Coloured lines have been added to Invoices and Orders
Just Select line and click on the Colour button to pick your colour for that line
Retail, Trade, Bulk & Wholesale - Can now be changed on an Invoice if items are pulled from stock.
You can Choose " All " or " Next items only "

Customers and Suppliers can now be searched for on Google using a new Find button which searchers automatically with one click only.

Google Maps can also be used to find an address in the address boxes and show a map to navigate to.

NOTE: **Bizz Wizz has been upgraded to windows Dot-net 4.8 because of new web Emailing security in Windows and some old Windows versions may need to be Updated**

Point of Sale :
Improved Emailing and Printing buttons added on { Select customer } and { User } screens.

Ledger:

Tax Year 2021 — All Transactions in 2021

Listing transactions in Ledger by year. Arrow buttons have been added so you don't have to return and re-list.
BAS form changes: Wages can now be shown as monthly on the quarterly bas

Mobile Invoicing :.
Font and Colour updates are also included
